

Tool Auction at the Home Show

Event to begin at 3:00 pm on Saturday expected to last about an hour, depending on the number of items to sell.

Each booth is asked to donate a \$30 tool to be included in the auction. It is fine to go together with other booths and purchase one item to sell at the auction.

All proceeds to be given to the Sentinel students for their use at the State and National competitions. This is a fantastic event, and a great way to support our next generation to the next level.
