185 Jefferson Street • Tiffin, Ohio 44883

Representatives from

CANON SOLUTIONS AMERICA

will be present

Featuring The All New
IPC8000VP Digital Press

See Firsthand What We Can Do For You or Your Businesses Printing Needs

The imagePRESS C8000VP Series can provide the edge you need to exceed your expectations. It provides offset-like quality with 2400 x 2400 dpi output quality, tight registration, and stable color on long runs at 80 letter impressions per minute. With dual fixing technology, it can maintain high throughput, even with mixed media and on long runs.

More Applications

MLAD can offer a deeper range of applications on a wide range of smooth, textured, and synthetic substrates ranging from 16 lb. Bond to 130 lb. Cover and validated heavy medias up to 150 lb. Cover. The imagePRESS C8000VP supports versatile, in-line finishing options, such as bookletmaking, stapling and punching.

Powerful Productivity

With outstanding productivity, MLAD can get your job faster, more efficiently and most of all—economically. With the power of a EFI Rip, and a PDF workflow and impressive imposition software, your supplied files or ours will process with less file handling. That's a win-win!
