Every year the dancers on In Motion Dance Studio's dance teams and troupes put on a benefit performance for a local charity or foundation. They look to instill the act of giving and selflessness in each of their dancers by allowing them to pick the organization each year and help participate in setting up the benefit.

This year the students choose the Seneca County Humane Society. Their dance team and troupe members range from ages 6 and up and will perform a variety of dance styles including: ballet, tap, jazz, lyrical, acro, hip hop, and musical theatre.

In addition to a performance from their dance teams and troupes there will be raffle baskets you can purchase tickets for and a cruise for two that they are giving away! The cruise raffle tickets are \$12 each and can be purchased in the studio office at 636 Miami Street or at the benefit.

There is a \$5 donation fee to get in for adults and a \$3 fee for children 12 and under. All proceeds from the benefit will be given to the Seneca County Humane Society.
