FOR IMMEDIATE RELEASE

Join us for a heartfelt Valentine Celebration at Zinc!

Thursday, February 14th

Our Signature Valentine Event – More Moments

Zinc Brasserie – 215 E. Water Street, Sandusky, OH

ZINC Brasserie – What’s better than celebrating love? Raising money for a great cause while doing so! On Thursday, Feb 14, join us for our signature Valentine’s Day event at ZINC Brasserie (215 E. Water Street, Sandusky). Attendees will enjoy fine food and drinks, live entertainment, an auction, chair massages and more. Two ticket tiers are available:

Cocktail Reception Ticket (\$75): individuals will enjoy a cocktail reception style event with hors d’oeuvres stations and an open beer/wine bar.

VIP Ticket (\$150): attendees will have reserved VIP seating, with a Zinc four-course dinner. Access to valet parking, open/beer wine bar and a VIP preview hour.

No matter which ticket type you choose, you can come with that special someone, or make it a group event! (Not to mention alleviating the need to scramble for hard-to-find Valentine’s Day dinner reservations!)

This year’s theme, “Creating More Moments For You”, nests in with our current ad campaign centering around the many ways Stein Hospice offers “more” than top quality end-of-life care. Our approach always focuses on comfort, care and family, the things we hope for most for our loved ones. Join us in this heartfelt celebration of Valentine’s Day while you learn about Stein’s long-standing commitment to providing more to the communities we serve.

It can be challenging to raise funds for service-oriented nonprofits, as there are fewer publicly visible assets to show the impact of their gift than giving to say, a playground or building fund. That’s why--In addition to funds raised from ticket sales--guests will mingle between various food and entertainment stations, including several Stein Hospice “stations” where attendees can briefly learn about various services Stein provides the community (including our Veteran Program, Spiritual Care, Comfort Services, Kids Camps and more). Each station will have its own ‘Fund A Need’, so guests can support any and all services to which they feel connected, and learn how their donation directly and specifically impacts and improves care to those we serve.

Please keep up with the event on our Facebook page for announcements and updates. Tickets are available now at www.steinhospice.org. We hope you’ll consider this your personal invitation to join us for this fun and festive Valentine’s Day fundraiser.

Stein Hospice serves people at the end of life and their loved ones in Erie Huron, Ottawa, Lorain, Sandusky and Seneca counties with compassionate in-home and in-patient physical and emotional care.
