

# The Sweetheart Sixties

As a Special Friend of Terra State, you are cordially invited to party with the gang celebrating  
**"The Sweetheart Sixties!"**

Why the Sixties, you ask? Because 1968 was the year Terra State opened for classes, fifty years ago. And, as we like to say, "Going great since '68!" Opening at a rate of one per week during that decade, community colleges not only absorbed and educated a considerable portion of the Boomer generation, they also inaugurated many of the core features of higher education for the 21st century – open door admissions, vocational/technical training, and student body diversity.

But, burgeoning growth of two-year colleges was not the only significant event from the 1960s. And, upon those assorted (and sordid) developments is built the excitement of  
**Gala 2019 – "THE SWEETHEART SIXTIES!"**

Beginning with the political drama of the Kennedy/Nixon election (1960) and ending with man's first steps on the moon (1969), the Sixties had it all. Come stroll down memory lane for a glimpse of the culture, the counterculture, and the inspiration of that memorable decade. Browse the enclosed brochure for a nostalgic look back in time.

Your support and generosity is deeply appreciated by the Terra State family, especially the help that is provided for students. Proceeds will be used for the increasing demand for student scholarships and program development funds. All sponsors, gift donors, and ticket holders will be recognized in the program and through press and website releases. Should you have any questions, just call the Terra College Foundation office at 419.559.2301 or email us at sbabion01@terra.edu.

Yours very truly,
