## Spirit of Christmas Celebration

November 30, December 1, 7, & 8  
Saturdays Noon - 8pm & Sundays 11 am - 5pm

Go back in time when people came together at the darkest, coldest time of year to remember the light and life eternal that flows through all things, the love that lives inside our hearts and is the hope of the world, and the joy that comes from opening our hearts.

Modeled after the famous German Christmas Markets, come see quality, hand-made gifts and be surrounded with the magic of Christmas as the farm is dressed in festive finery. European food, sweets, children's crafting, fire-pits, a *Christmas through story and Song* Concert, English Manor home tour complete with real, candle-lit tree, and horse-drawn carriage.
