Plan for Success

Participants make connections between their core values and personal and professional interests to construct a personal leadership development plan and develop goals they would like to achieve during the nine month program.

Participation

Participants are expected to participate fully in all elements of the LSC program including but not limited to:

- Regular attendance at all monthly class sessions
- Participate in a Community Service project
- Reading Assignments
- Scheduled Group Activities

Classes meet on the second Wednesday of each month from September - May approximately from 8:00 am - 4:30 pm.

"Leaders become great not because of their power but, because of their ability to empower others."

John Maxwell
